Inside AXYS

Each month our Executive Director will share a bit of the inner workings of AXYS.

May is X&Y Chromosome Variation Awareness Month.

We consider everyone born with more than the typical number or X or Y chromosomes to be part of our community. We estimate that 1 in 500 people fit this definition but most of them are not aware. Can you help us find them?

- 1. Give your pediatrician, school nurse, and therapists this paper: Increasing Awareness of Sex Chomosome Trisomies
- 2. Share this image on social media
- 3. Host a Facebook fundraiser for AXYS
- 4. If you shop at Walmart, choose AXYS for donations to their roundup program: <u>https://www.walmart.com/nonprofits/1b9183b6-a81e-4b22-a014-e9542145415c/profile</u>
