

We Need Your Help to Improve Health Care!

We would like you to share *your* experiences receiving medical genetics care and perspectives on trauma-informed care.

Qualifications

- Parent/Caregiver of a child under the age of 18 with a genetic condition
- Able to speak/read English
- Reside in the United States

What would you do?

1. Complete a 30 minute confidential online **survey**
2. **Optional**, 60 minute follow-up **virtual interviews** for you and your child

Compensation

- **Survey Raffle** to win 1 of 6 \$100 Amazon gift cards.
- **Interview** participants will each receive a \$50 Amazon gift card.
- **Caregivers** gain access to Dr. Kelsey's virtual stress reduction workshop.
